Auctioneer

A decision has been made to make the next auction an **ONLINE ONLY SALE**, these are strange times and we are having to adapt to the current situation to keep business moving. Obviously we have Internet, Telephone and Proxy bidding at all our auctions anyway so we are just expanding on a service that we already offer, just with the very slight difference that there will be no bidders in the room

The sale will run in exactly the same format as usual, as in we will have our auctioneer on the podium offering each Lot in turn, but there will be no live audience just Internet bidders, people on the phone and no doubt some Proxy bids. The sale will be set up in our offices and our audio-visual team will set up the cameras for the live stream for everyone to watch from home while still being able to secure their purchase. This is in line with the rest of the market nationally, as all Auctioneers are reverting to online sales, so we are following suit so you don't miss out

As time is up against us we have decided to push the sale back two weeks to 4th May. This gives us the opportunity to get the message out there and give buyers more time to prepare, hopefully there may be an opportunity to get some viewings in potentially at the end of April. It also gives us the chance to get ready, as we want to make sure that we get everything right and deliver a top class service.

Proof of identity and address

All prospective bidders must register and provide proof of identity and address to the Auctioneers prior to the start of the sale.

Original documents MUST be provided.

Photocopies are NOT acceptable.

You will need to register before the auction starts if you are intending to bid, as we are required to verify anyone who offers, bids, or buys at butters john bee auctions.

In each case, for proof of ID we will need one item from List A, (if you cannot produce any of the items on list A, then you must produce two of the items on list B). For proof of address one item from List C (If an item is used from List B for the purposes of identity, the same item may NOT be used for the purposes of proof of address) Failure to produce the correct ID will mean you will NOT be eligible to bid on the night.

There are a few options available to you:

- Go to any of our 17 branches, or head office, with your original paperwork, we will then verify for you free of charge
- The Post Office can verify up to three forms of identification, there is however a charge for this service
- A professional body (solicitor, accountant etc.) can also certify your ID and directly send it on your behalf to auctions@bjbmail.com (please note these parties may make a charge directly to you)
- You can bring the relevant documents to the auction venue between 5.00pm and 6.30pm to register free of charge

If you intend to bid via the Internet, Telephone or Proxy, we will require this information prior to the day of the auction. If we do not receive certified identification, we will be unable to bid on your behalf.

If you are bidding on behalf of a company, you will also need to show a copy of the Certificate of Incorporation, a list of directors and a letter of authority on Company letterhead, signed by a company director, prior to signing the contract.

Property auction

buyer's guide

Buying at auction is becoming far more popular with the public, many of whom have never previously attended a property auction. We have drawn up some basic guidelines to ensure that clients maximise their opportunity to take advantage of such a wide variety of properties available at one venue.

- ◆ Think ahead, butters john bee hold regular auction sales with a catalogue printed some weeks in advance. Either buy a catalogue from one of our offices or download one FREE of charge from our website buttersjohnbee.com
- ◆ Read the catalogue carefully. Each of our properties carries a brief description. Read our details thoroughly and identify the properties you are interested in.
- ◆ Take a look at the property you are interested in. Contact the office listed for viewing arrangements or see the relevant viewing schedule.
- ◆ Take legal advice. Purchasing a property at auction is a firm commitment that carries the same legal implications as a signed contract by private treaty. In most cases we have copies of legal documents in our possession, or your solicitor may wish to contact the vendor's solicitor, these legal packs can often be downloaded from our website.
- ◆ Read the general conditions of sale at the rear of the catalogue.
- ◆ Get a copy of the addendum. These are available online and contain any late amendments, information or alterations.
- ◆ Plan ahead if you require mortgage assistance. Note that prospective purchasers should have the necessary mortgage advice well in advance of future auctions.
- ◆ Leave time to get a valuation done if required. Your mortgage finance may be reliant upon the results, not to mention your peace of mind.
- ◆ Organise your deposit before the auction. We ask for 10% deposit (subject to a minimum of £1000) once the property is knocked down to you, payable on signing contracts on the day of the auction. Your bank or building society should be made aware of this. The balance of the monies will normally be due within 20 working days of the sale. In addition you have to pay to the auctioneer an administration fee of £700 plus VAT if you purchase at the auction, prior to the auction or post auction. Cheques made payable to butters john bee. Deposits must be paid by bankers draft, personal/business cheque or debit card.
- ◆ Make sure the Auctioneer has your bid, by clearly indicating with catalogue or hand.
- ◆ Ensure that you have registered with us before the auction starts, and supplied your two forms of identification. You can do this on the night of the auction, just arrive a bit early to give yourself enough time, or you can go into any of our 17 High Street branches prior to the sale and they will certify you ID free of charge. Original documents MUST be provided, photocopies are NOT acceptable. We will also accept certified ID sent direct from a solicitor or professional body.

- Check that the properties included in the catalogue will be offered on the day of the sale. Some may be withdrawn, and some may be sold prior to auction.
- Keep calm. Our Auctioneers understand the pressure that first time auction buyers can experience in the sale room, and will be as helpful as possible.
- Arrive in plenty of time. It is useful to get some knowledge of how sales are conducted by seeing other lots being sold.
- If the lot you're bidding for fails to make its reserve it may be that the vendor will decide to accept your bid later so make sure you leave your details with us.
- Be ready to sign immediately when the hammer falls. We shall have a copy of the contract available soon after the hammer falls.
- Be positive, with the right forward planning and research you will find an auction a speedy and simple way of buying a property.
- This catalogue contains details about properties being sold at auction. Those details are subject to change up to and including the day of the auction. Please check our website regularly at buttersjohnbee.com and look out for any additional materials available on the day of the auction, in order to stay fully informed with the up to date information.
- **Guide Price:** An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether or not to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.
- **Reserve Price:** the seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

Bid live online!

All our sales are broadcast live in conjunction with Proxibid.

What does the service cost?

Nothing! It's free, you pay the same as any buyer who attends the auction.

Can I just watch?

Yes, many people use the service just to watch the auction.

Why do you need to know my maximum bid?

We set a maximum bid in order to process a suitable deposit, but you conduct the bidding and setting a cap does not mean you have to bid to it. You may set a cap of £100,000 but stop bidding at £88,000 – you are in complete control.

Can I bid on more than one property?

Yes. You can buy as many as you can process deposit payments for. You need to let us know which lots you are bidding on so our auctioneer can keep a look out for your bids.

How does the auctioneer know I'm bidding?

The auctioneer has a monitor next to the rostrum that shows him your bid, and he can talk to you via the camera. Don't worry, you can see him but he can't see you!

Email auction@bjbmail.com for your registration form.

Bid live online!

All our sales are broadcast live in conjunction with Proxibid.

What does the service cost?

Nothing! It's free, you pay the same as any buyer who attends the auction.

Can I just watch?

Yes, many people use the service just to watch the auction.

Why do you need to know my maximum bid?

We set a maximum bid in order to process a suitable deposit, but you conduct the bidding and setting a cap does not mean you have to bid to it. You may set a cap of £100,000 but stop bidding at £88,000 – you are in complete control.

Can I bid on more than one property?

Yes. You can buy as many as you can process deposit payments for. You need to let us know which lots you are bidding on so our auctioneer can keep a look out for your bids.

How does the auctioneer know I'm bidding?

The auctioneer has a monitor next to the rostrum that shows him your bid, and he can talk to you via the camera. Don't worry, you can see him but he can't see you!

Email auction@bjbmail.com for your registration form.

Proof of identity and address

A buyer's administration fee of £700 plus VAT is applicable to all lots sold at, pre or post auction.

All potential bidders will need to register prior to the auction, and provide proof of identity and address to enable you to bid at our sales. (See 'Proof of Identity' at front of the catalogue).

If the buyer's details are different from the successful bidder's, then the buyer will also be required to submit their details as above. If the successful bidder

is buying on behalf of a company we also require a letter from that company on their letterhead authorising the bidder to bid on their behalf, the bidder will still be required to produce their details as above.

Every buyer will be photographed at the auction before the contract is signed.

For all your commercial property needs

“In an uncertain market, Agents, Landlords and occupiers have had to adapt to ensure deals progress and complete. All sectors bar industrial/warehousing have suffered as a result of the wider issues the UK has experienced. It is positive to see that the dedication, hard work and energy put in by Butters John Bee has paid off, I am proud to have won ‘EG’s Dealmaker for Staffordshire’ award for 2018/2019.”

Notes

A series of horizontal dashed lines for writing notes.

This catalogue contains details about properties being sold at auction. Those details are subject to change up to and including the day of the auction.

Please check our website regularly at buttersjohnbee.com and look out for any additional materials available on the day of the auction, in order to stay fully informed with the up to date information.

Guide Price: An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether or not to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

Reserve Price: The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

Agreed completion date Subject to **condition** G9.3:

Important notice

A prudent buyer will, before bidding for a lot at an auction:

- Take professional advice from a conveyancer and, in appropriate cases, a chartered surveyor and an accountant;
- Read the conditions;
- Inspect the lot;
- Carry out usual searches and make usual enquiries;
- Check the content of all available leases and other documents relating to the lot;
- Have finance available for the deposit and purchase price;
- Check whether VAT registration and election is advisable;

The conditions assume that the buyer has acted like a prudent buyer.

If you choose to buy a lot without taking these normal precautions you do so at your own risk.

Auction Conduct Conditions

A1 Introduction

- A1.1 Words in bold blue type have special meanings, which are defined in the Glossary.
- A1.2 The **catalogue** is issued only on the basis that **you** accept these **auction conduct conditions**. They govern **our** relationship with **you** and cannot be disappplied or varied by the **sale conditions** (even by a **condition** purporting to replace the whole of the Common Auction Conditions). They can be varied only if **we** agree.

A2 Our role

- A2.1 As agents for each **seller** we have authority to:
- (a) prepare the **catalogue** from information supplied by or on behalf of each **seller**;
 - (b) offer each **lot** for sale;
 - (c) sell each **lot**;
 - (d) receive and hold deposits;
 - (e) sign each **sale memorandum**; and
 - (f) treat a **contract** as repudiated if the **buyer** fails to sign a **sale memorandum** or pay a deposit as required by these **auction conduct conditions**.
- A2.2 **Our** decision on the conduct of the **auction** is final.
- A2.3 **We** may cancel the **auction**, or alter the order in which **lots** are offered for sale. **We** may also combine or divide **lots**. A **lot** may be sold or withdrawn from sale prior to the **auction**.
- A2.4 **You** acknowledge that to the extent permitted by law **we** owe **you** no duty of care and you have no claim against **us** for any loss.

A3 Bidding and reserve prices

- A3.1 All bids are to be made in pounds sterling exclusive of any applicable **VAT**.
- A3.2 **We** may refuse to accept a bid. **We** do not have to explain why.
- A3.3 If there is a dispute over bidding **we** are entitled to resolve it, and **our** decision is final.
- A3.4 Unless stated otherwise each **lot** is subject to a reserve price (which may be fixed just before the **lot** is offered for sale). If no bid equals or exceeds that reserve price the **lot** will be withdrawn from the **auction**.
- A3.5 Where there is a reserve price the **seller** may bid (or ask **us** or another agent to bid on the **seller's** behalf) up to the reserve price but may not make a bid equal to or exceeding the reserve price. **You** accept that it is possible that all bids up to the reserve price are bids made by or on behalf of the **seller**.
- A3.6 Where a guide price (or range of prices) is given that guide is the minimum price at which, or range of prices within which, the **seller** might be prepared to sell at the date of the guide price. But guide prices may change. The last published guide price will normally be at or above any reserve price, but not always – as the **seller** may fix the final reserve price just before bidding commences.

A4 The particulars and other information

- A4.1 **We** have taken reasonable care to prepare **particulars** that correctly describe each **lot**. The **particulars** are based on information supplied by or on behalf of the **seller**. **You** need to check that the information in the **particulars** is correct.
- A4.2 If the **special conditions** do not contain a description of the **lot**, or simply refer to the relevant **lot** number, you take the risk that the description contained in the **particulars** is incomplete or inaccurate, as the **particulars** have not been prepared by a conveyancer and are not intended to form part of a legal contract.
- A4.3 The **particulars** and the **sale conditions** may change prior to the **auction** and it is **your** responsibility to check that **you** have the correct versions.
- A4.4 If **we** provide information, or a copy of a document, provided by others **we** do so only on the basis that **we** are not responsible for the accuracy of that information or document.

A5 The contract

- A5.1 A successful bid is one **we** accept as such (normally on the fall of the hammer). This **condition** A5 applies to **you** if **you** make the successful bid for a **lot**.
- A5.2 **You** are obliged to buy the **lot** on the terms of the **sale memorandum** at the **price** you bid plus **VAT** (if applicable). **You** must before leaving the **auction**:
- (a) provide all information **we** reasonably need from **you** to enable us to complete the **sale memorandum** (including proof of your identity if required by **us**);
 - (b) sign the completed **sale memorandum**; and
 - (c) pay the deposit.
- A5.4 If **you** do not **we** may either:
- (a) as agent for the **seller** treat that failure as **your** repudiation of the **contract** and offer the **lot** for sale again: the **seller** may then have a claim against **you** for breach of contract; or
 - (b) sign the **sale memorandum** on **your** behalf.
- A5.5 The deposit:
- (a) is to be held as stakeholder where **VAT** would be chargeable on the deposit were it to be held as agent for the **seller**, but otherwise is to be held as stated in the **sale conditions**; and
 - (b) must be paid in pounds sterling by cheque or by bankers' draft made payable to **us** on an **approved financial institution**. The extra auction conduct conditions may state if **we** accept any other form of payment
- A5.6 **We** may retain the **sale memorandum** signed by or on behalf of the **seller** until the deposit has been received in cleared funds.
- A5.7 If the **buyer** does not comply with its obligations under the **contract** then:
- (a) **you** are personally liable to buy the **lot** even if **you** are acting as an agent; and
 - (b) **you** must indemnify the **seller** in respect of any loss the **seller** incurs as a result of the **buyer's** default.
- A5.8 Where the **buyer** is a company **you** warrant that the **buyer** is properly constituted and able to buy the **lot**.

A6 Extra Auction Conduct Conditions

- A6.1 Despite any **condition** to the contrary:
- (a) The minimum deposit **we** accept is £1,000 (or the total **price**, if less). A **special condition** may, however, require a higher minimum deposit
 - (b) Sub-clause (a) of **Auction Conduct Condition** A5.5 shall be deemed to be deleted and shall be replaced with the following: "(a) is to be held as agent for the **seller** unless expressly stated otherwise in the **special conditions** provided that where **VAT** would be chargeable on the deposit were it to be held as agent for the **seller**, the deposit will be held as stakeholder despite any contrary provision in any **condition**; and"
 - (c) where the deposit is paid to **us** to be held as stakeholder, **we** may if **we** choose transfer all or part of it to the **seller's** conveyancer for them to hold as stakeholder in **our** place. Any part of the deposit not so transferred will be held by **us** as stakeholder.
- A6.2 The **buyer** will pay an administration fee of £700 plus **VAT** to **us** for each **lot** purchased at the **auction**, prior to **auction** or post **auction** in addition to the deposit.
- A6.3 The **buyer** will provide proof of identity and residency to **us**.
- A6.4 **We** may accept payment by debit or credit card. Credit card payment is not allowed for payment of deposit.
- A6.5 **We** may refuse admittance to any person attending the **auction**. **We** do not have to explain why.
- A6.6 The **buyer** will be photographed at the auction before the contract is signed.
- A6.7 The **Seller** will not be under any obligation to remove any rubbish or other items whatsoever from the **lot** prior to **completion** of the purchase and the **Buyer** will not be allowed to delay **completion** or refuse to complete or claim compensation in respect of any rubbish or other items remaining on the **lot**.

General Conditions

Words in bold blue type have special meanings, which are defined in the Glossary.

The **general conditions** (including any extra general conditions) apply to the **contract** except to the extent that they are varied by **special conditions** or by an **addendum**.

G1 The lot

- G1.1 The **lot** (including any rights to be granted or reserved, and any exclusions from it) is described in the **special conditions**, or if not so described the **lot** is that referred to in the **sale memorandum**.
- G1.2 The **lot** is sold subject to any **tenancies** disclosed by the **special conditions**, but otherwise with vacant possession on **completion**.
- G1.3 The **lot** is sold subject to all matters contained or referred to in the **documents**, but excluding any **financial charges**: these the seller must discharge on or before **completion**.
- G1.4 The **lot** is also sold subject to such of the following as may affect it, whether they arise before or after the **contract date** and whether or not they are disclosed by the **seller** or are apparent from inspection of the lot or from the **documents**:

- G3.3 Section 47 of the Law of Property Act 1925 does not apply.
- G3.4 Unless the **buyer** is already lawfully in occupation of the **lot** the **buyer** has no right to enter into occupation prior to **completion**.

(a) the **seller** must comply with the **buyer's** reasonable requirements unless to do so would (but for the indemnity in paragraph (c)) expose the **seller** to a liability that the **seller** would not otherwise have, in which case the **seller** may act reasonably in such a way as to avoid that liability;

(b) if the **seller** gives the **buyer** notice of the **seller's** intended act and the **buyer** does not object within five **business days** giving reasons for the objection the **seller**
